I totally disagree with the proposed NSPS Regulations. Without being disrespectful, it is just another way for the almost non-existent "middle class", to get it stuck to them. Please know we are not stupid people we do know what is going on and what "our Government" is trying to do to us. I personally work hard and deserve my step increases whether I kiss my chances rear end or not. As long as I do a good job, how about you, do you get raises!

Sincerely,

Thank you
