Why would you want to mess with our lively  
needs? We have a family and bills that have  
to be paid. I think it is very unfair that  
you would want to mess with our money  
knowing that it affects our lives. We  
need benefits. We shouldn't have to go  
thru these changes because we meet  
the needs of the military family. We take  
good care of their little one. So I should  
keep the benefit and not have some tamper  
with my livelyhood

Sincerely,

P-0122
