FROM

Mr. Ronnie PhillipsSP4 JAGM Defense DeptWHS 17

This is not Fair or right, We are not cattle or sheep  
 we do not wish to be slaughtered nor ground up into beef.  
 NOR are we SLAVES of the Government's plantation subject to the  
 whip of Rumsfeld's whip. We have Rights as Humans, NOT  
 ANIMALS OR ROBOTS.

We do not want to be subject to the whims and wiles of  
 some supervisor with prejudices that would clearly target  
 certain ethnic groups or any one who do not kiss butt.  
 This is wrong, NOT Right, takes America BACK 50 yrs.  
 We clearly will not have respect, dignity or pride in ourselves as  
 DoD employees. We deserve better than this. This is not  
 change for the better or improvements not  
 change that will take us BACK.

Sincerely,

P-0127
