The Due Process And Fairness Demand That The Independent Body Reviewing A Major Suspension As Termination To Be Allowed To Alter The Imposed Penalty If They Deem It To Be Unreasonable. The Current Standards Approved By The Courts To Guide Such Bodies Should Continue To Be Used When DOD Has Leveled Accusations And Punishment Against A Civil Service Employee.

Support ~~IF~~ Labor-Management Regulations - 9901.901 to 9901.929. The Labor-Management Law That Has Governed The Employees' Right To Organize And Engage In Collective Bargaining Has Worked Well Since 1978. There Is No Compelling Reason To Take Away Most Of The Collective Bargaining Rights Or Grievance Rights In An Attempt To Undermine DOD Civil Service Employees Working Guidelines. Also DOD Should Not Create A "Company Dominated Dispute Board." Any Dispute Board Must Be "Jointly Selected" By Management And The Union.
