9901.341-442 Performance payouts - NSPS will
use pay pools to manage, control, and distribute
performance based pay increases and bonuses. Money
for performance based pay will come out of the
existing payroll cost for such things as within-
grade increases, quality step increase, promotions, etc.
DoD is NOT putting more money into the system
so performance pay will not be over and above
current payrolls. Some employees can get more
but only if some of their co-workers get less.

Sincerely,

DID
